PROFILE

I am currently pursuing my Third year Bachelor's Degree in Computer Engineering. I have built a solid foundation in software development, particularly in areas such as C++, HTML, CSS, JavaScript, SQL, Git, and GitHub.

My expertise in these areas allows me to approach projects with confidence and deliver high-quality results. I have a strong belief in the value of continuous learning and staying adaptable in the ever-evolving world of software engineering.

WORK EXPERIENCE

WEB DEVELOPMENT INTERN

JAN - 2024

Prodigy InfoTech

- As a dedicated developer, I've crafted a diverse portfolio showcasing my expertise in web development. From responsive landing pages to interactive applications like a stopwatch web app and a classic game of Tic Tac Toe, I've demonstrated proficiency in HTML, CSS, and JavaScript. Leveraging various frameworks.

WEB DEVELOPMENT INTERN

DEC - 2023

CodSoft

- In my portfolio, you'll find a collection of projects highlighting my mastery in responsive web design. From crafting captivating landing pages that adapt seamlessly across devices to building dynamic portfolios using HTML, CSS, and JavaScript alongside diverse frameworks.
